THE PROFESSOR WILL ACCEPT NO EXCUSE FOR LATE WORK. The system is programmed to prevent your submission of late work. Start early and finish early. If you have an unreliable server or computer, please go to a public computer to do your work. If for some reason the professor or the Blackboard server has made a mistake, you will not be penalized. Be aware that when something only happens to you, it is your problem. Please always start early and finish early to avoid problems.

Exams can only be made up with proper documentation such as a doctor's note.

Make Up Exam

If you miss an exam and do not have proper documentation, you will be able to retake the exam during finals week for half credit. Students will have to schedule a time during my office hours, during finals week in order to take advantage of this opportunity. There are no exceptions.

Attendance Policy

If you are expecting a call or need to leave early, notify me immediately or before class and I will make an exception for you. Students may use a laptop computer during class but are not permitted to instant message others, check social network updates, email, etc. The usage of the laptop computers is meant for taking notes and considered a privilege, not a right, given to you by me and can be taken away at any time. **If you use ANY electronic device during an exam, it will automatically be taken up and you will be given a zero.**

Disruption of Classroom Environment

Your professor will not tolerate any disruption of the classroom environment. This includes any problems your facilitator encounters with you AND hateful/disrespectful remarks made in the classroom, on discussion postings, email, or chat. I will drop you with an F for violation of this policy.

Emailing Your Professor

I require students to send a professional email when contacting me. If you send an unprofessional email to me, I will respond asking you to retype your email. In addition, do not

attempt to argue with me over a grade you receive, if you do I will either lower your grade further, or drop you with an F. When emailing, please include what course you are enrolled in (Example: GOVT 2305.156).

Artificial Intelligence (AI) Resources:

There are now websites that will actually generate semi-unique material that somewhat resembles original material. Since the technology is available to create this content, technology is also available to detect this content. Make no mistake, this is plagiarism. I am not asking AI to write a paper, I am asking you, the student, to create this content. If you submit work that is not your own, original material, it will be considered plagiarism and receive a grade of zero. The incident will also be detailed to the Dean of Students for disciplinary actions.

Academic Integrity

Plagiarism is the taking of credit for something that is not the work of the owner. It is cheating and will not be tolerated. See the General Catalog for more information on plagiarism. Cheating or dishonesty of any type in this course will result in the student being dropped from this course with an "F."

Academic English

South Plains College requires all students to become proficient in "academic English," a form of English typically used in academic, professional, and business contexts. While slang, regional idioms, and informal kinds of self-expression are appropriate in some contexts, they are out of place in academic writing.

Diversity Statement

In this class, the teacher will establish and support an environment that values and nurtures individual and group differences and encourages engagement and interaction. Understanding and respecting multiple experiences and perspectives will serve to challenge and stimulate all of us to learn about others, about the larger world and about ourselves. By promoting diversity and intellectual exchange, we will not only mirror society as it is, but also model society as it should and can be.
